SEMINARS ATTENDED:

March 19, 2022
The Podium: Standing Behind the 21st Century Technological Trends

April 02, 2022
Overview of IC Engineering Practices and Process Measurements

April 23, 2022
Instrumentation & Process Control : Electro-Pneumatic Control and
Process Control System

April 30, 2022
Instrumentation & Process Control : Process Control and Protection
System and Introduction to Analytical Instruments

May 14, 2022
Advancements of Fiber Optic Technologies

May 21, 2022
Recreational Coding: How to get better with Code

May 28, 2022
Entrepreneurship After the Board Exam

TRAININGS:

July 15, 2022
Programming for Beginners Using Python

July 16, 2022
Programming for Intermediate Users Using
Python

July 23, 2022
Learn Basic Statistics with Python

August 03, 2022
Using HTML and CSS to Design a Website

August 08, 2022
Using Firebase as an Application Back End
